

## **Thanks for downloading Mitoza on Windows!**

Just unzip the file and double click on the Mitoza.exe to run the game. No need to use the other files in the .zip.

Settings:

- You can reset achievements (Settings Icon -> Reset Icon)
- Turn off/on Music and Sound
- Make sure to make copies of your save game in Documents -> Second Maze -> Mitoza -> SaveGame.sav, when you update the game.

Please send us an email via [info@secondmaze.com](mailto:info@secondmaze.com) if any bug/issue occurs and we will try to find a solution as soon as possible!
